(Berry/Buck/Mills/Stipe)

(chorus)

We'll stumble through the yard  
We'll stumble through the yard  
We'll stumble through the A-P-T  
We'll stumble through the yard  
Force fields. Explorer racing home, the ancient star  
Yellow mixed with golden hue  
Scan the graveyard, dead there be  
Ball and chain, ball and chain  
Ball and chain, ball and chain

(repeat chorus 2x)

It was round about midnight. Hipster town  
Imagine going for a walk  
Things get around to taking place. It's not a waste of  
time  
The rich got a little poorer  
Things get around to taking place. If they're gonna  
happen at all  
Don't need that jazz. Don't need that stuff  
It was round about midnight. Hipster town  
It was round about midnight. Hipster town

(repeat chorus)
