This mellow, sweet, short-haired boy, woman offers  
pull up a seat  
Take in one symphony now, we've just begun to battle  
Wrap your heel in bones of steel, turn the leg, a twist of  
color  
Autumn waited hold it to you in the colored come  
another  
Seven chinese brothers swallowing the ocean  
Seven thousand years to sleep away the pain  
She will return, she will return  
This mellow, sweet, short-haired boy, woman offers  
pull up a seat  
Take in one symphony now, we've just begun to battle  
Wrap your heel in bones of steel, turn the leg, a twist of  
color  
Autumn waded seven seas swimming colored come  
another  
Seven chinese brothers swallowing the ocean  
Seven thousand years to sleep away the pain  
She will return, she will return  
This mellow, sweet, short-haired boy, woman offers  
pull up a chair  
Take in one symphony now, I guess we lost that battle  
Wrap your heel in bones of steel, turn the leg, a twist of  
color  
Autumn waded seven seas swimming colored come  
another  
Seven chinese brothers swallowing the ocean  
Seven thousand years the Communi did reign  
She will return, she will return
