That's great, it starts with an earthquake, birds and  
Snakes, an aeroplane and Lenny Bruce is not afraid  
Eye of a hurricane, listen to yourself churn - world  
Serves its own needs, dummy serve your own needs.  
Feed

It off an aux speak, grunt, no, strength, ladder  
Start to clatter with fear fight down height. Wire  
In a fire, representing seven games, a government  
For hire and a combat site. Left of west and coming in  
A hurry with the furies breathing down your neck. Team  
By team reporters baffled, trumped, tethered cropped  
Look at that low playing! Fine, then. Uh oh,  
Overflow, population, common food, but it'll do. Save  
Yourself, serve yourself. World serves its own needs,  
Listen to your heart bleed dummy with the rapture and  
The revered and the right, right. You vitriolic,  
Patriotic, slam, fight, bright light, feeling pretty  
Psyched

It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it and I feel fine

Six o'clock - TV hour. Don't get caught in foreign  
Towers. Slash and burn, return, listen to yourself  
Churn. Locking in, uniforming, book burning, blood  
Letting. Every motive escalate. Automotive incinerate  
Light a candle, light a votive. Step down, step down  
Watch your heel crush, crushed, uh-oh, this means no  
Fear cavalier. Renegade steer clear! A tournament,  
Tournament, a tournament of lies. Offer me solutions,  
Offer me alternatives and I decline

(chorus)

It's the end of the world as we know it (it's time I had  
some time alone)

It's the end of the world as we know it (it's time I had  
some time alone)

It's the end of the world as we know it and I feel fine  
(it's time I had some time alone)
