Robin Hitchcock)

Maybe tonight you're achin'  
For someone you're dreamin' of  
Tomorrow you'll be wakin  
Into the Arms, into the arms of Love  
Maybe tonight you're cryin  
Like a poor wounded dove  
Tell me you'll soon be flying  
Into the Arms, into the arms of love  
Maybe tonight you're takin  
You couldn't get enough  
Honey you'll soon be wakin'  
Into the Arms, into the arms of Love  
Maybe the world is falling  
It wasn't strong enough  
Tell me you'll soon be crawling  
Into the Arms, into the arms of Love  
(repeat to end
