When the world is a monster
Bad to swallow you whole
Kick the clay that holds the teeth in
Throw your trolls out the door

If you're needing inspiration
Philomath is where I go, I go
Lawyer Jeff he knows the low down
He's mighty bad to visit home

(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)

When your hands are feeling empty
Stick head jumpin' off the ground, 'round
Tris is sure to shirr the deers out
Brother Ray can sing my song

(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here, here, here
(I've been there I know the way)

Hands down, Calechee bound
Land locked, kiss the ground
Dirt of seven continents going round and round
Go on ahead Mr. Citywide hypnotized, suit and tied
Gentlemen testify

If your world is a monster
Bad to swallow you whole
Philomath they know the low down
Throw your trolls out the door

(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)

Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
Can't get there from here
(I've been there I know the way)
