I know you
I know you've seen her
She's a sad tomato
She's three miles of bad road

Walking down the street
Will I never meet her?
She's a real woman-child
Oh, my kiss breath turpentine

I am smitten
I'm the real thing
(I'm the real thing)
Have you seen her come around?
My crush with eyeliner

I'm in like
I'm infatuated
It's all too much, the pressure
She's all that I can take

What position should I wear?
Cop an attitude
(You fake her)
How can I convince her
(Fake her)
That I'm invented too, yeah?

I am smitten
I'm the real thing
(I'm the real thing)
We all invent ourselves
And, uh, you know me

Yeah, she's a sad tomato
She's three miles of bad road
She's her own invention
(She's her own invention)
That gets me in the throat

What can I make myself be?
Life is strange, yeah

(Life is strange)
What can I make myself be?
Fake her, to make her mine

I am smitten
I'll do anything
(I'll do anything)
A kiss breath turpentine
My crush with eyeliner

I am smitten
Uh, you know me
(Yeah, you know me)
I could be your Frankenstein
My crush with eyeliner

I am smitten
I'm the real thing
(I'm the real thing)
Won't you be my valentine?
My crush with eyeliner
