When your day is long and the night
The night is yours alone
When you're sure you had enough
Of this life, well hang on

Don't let yourself go
'Cause everybody cries
Everybody hurts
Sometimes

Sometimes everything is wrong
Now it's time to sing along
Day is night alone, feel like letting go
You think you had too much
Of this life, well hang on

Everybody hurts
Take comfort in your friends
Everybody hurts

Don't throw your hand oh no
Don't throw your hand
Feel like you're alone
No, no, no, you're not alone

The day is long the night
The night is yours alone
You think you had too much
Of this life, well hang on

Well everybody hurts, sometime
Everybody cries
Everybody hurts sometimes
Everybody hurts sometimes

So hold on, hold on
Hold on, hold on, hold on
Everybody hurts
Everybody hurts
