You're beautiful, more beautiful than me  
You're honorable, more honorable than me  
Loyal to the Bank of America

It's a sign of the times  
It's a sign of the times

You're sharpening stones, walking on coals  
To improve your business acumen  
Sharpening stones, walking on coals  
To improve your business acumen

Vested interest united ties, landed gentry rationalize  
Look who bought the myth, by jingo, buy America

It's a sign of the times  
It's a sign of the times

You're sharpening stones, walking on coals  
To improve your business acumen  
Sharpening stones, walking on coals  
To improve your business acumen

Enemy sighted, enemy met, I'm addressing the  
realpolitik  
Look who bought the myth, by jingo, buy America

{"Let us not assassinate this man further Senator,  
You've done enough, have you no sense of decency,  
sir?  
At long last, have you left no sense of decency?"}

You're sharpening stones, walking on coals  
To improve your business acumen  
Sharpening stones, walking on coals  
To improve your business acumen

Enemy sighted, enemy met, I'm addressing the  
realpolitik  
You've seen start and you've seen quit  
(I'm addressing the table of content)  
I always thought of you as quick

Exhuming McCarthy

(Meet me at the book burning, meet me at the book  
burning)

Exhuming McCarthy

(Meet me at the book burning, meet me at the book  
burning)

Exhuming McCarthy

(Meet me at the book burning)

Exhuming McCarthy

(Meet me at the book burning)
