(Berry/Buck/Mills/Stipe)

There's a problem, feathers iron
Bargain buildings, weights and pullies
Feathers hit the ground before the weight can leave the
air
Buy the sky and sell the sky and tell the sky and tell the
sky

(chorus)

Fall on me (what is it up in the air for) (it's gonna fall)
Fall on me (if it's there for long) (it's gonna fall)
Fall on me (it's over it's over me) (it's gonna fall)

There's the progress we have found (when the rain)
A way to talk around the problem (when the children
reign)
Building towered foresight (keep your conscience in
the dark)
Isn't anything at all (melt the statues in the park)
Buy the sky and sell the sky and bleed the sky and tell
the sky

(repeat chorus)

Fall on me

Well I could keep it above
But then it wouldn't be sky anymore
So if I send it to you you've got to promise to keep it
whole

Buy the sky and sell the sky and lift your arms up to the
sky
And ask the sky and ask the sky

(repeat chorus 2x)

Fall on me

(repeat chorus)

Fall on me

(repeat chorus)
