(Berry/Buck/Mills/Stipe)

Hey now, little speedyhead,  
The read on the speed matter says  
You have to go to task in the city  
Where people drown and people serve  
Don't be shy. Your just deserve  
Is only just light years to go

Me, my thoughts are flower strewn  
Ocean storm, bayberry moon  
I have got to leave to find my way  
Watch the road and memorize  
This life that pass before my eyes  
Nothing is going my way

The ocean is the river's goal,  
A need to leave the water knows  
We're closer now than light years to go

I have got to find the river,  
Bergamot and vetiver  
Run through my head and fall away  
Leave the road and memorize  
This life that pass before my eyes  
Nothing is going my way

There's no one left to take the lead,  
But I tell you and you can see  
We're closer now than light years to go  
Pick up here and chase the ride  
The river empties to the tide  
Fall into the ocean

The river to the ocean goes,  
A fortune for the undertow  
None of this is going my way  
There is nothing left to throw  
Of ginger, lemon, indigo,  
Coriander stem and rows of hay  
Strength and courage overrides  
The privileged and weary eyes  
Of river poet search naivete

Pick up here and chase the ride  
The river empties to the tide  
All of this is coming your way
