(Berry/Buck/Mills/Stipe)

This could be the saddest dusk
I've ever seen
Turn to a miracle
High alive
My mind is racing
As it always will
My hand is tired, my heart aches
I'm half a world away here
My head sworn
To go it alone
And hold it along
Haul it along
And hold it
Go it alone
Hold it along and hold, hold

This lonely deep sit hollow
I'm half a world
Half the world away
My shoes are gone
My life spent
I had too much to drink
I didn't think
And I didn't think of you
I guess that's all I needed
To go it alone
And hold it along
Haul it along
And hold it
Blackbirds, backwards, forwards and fall and hold,
hold

Oh, this lonely world is wasted
Pathetic eyes high alive
Blind to the tide that turns the sea
This storm it came up strong
It shook the trees
And blew away our fear
I couldn't even hear

To go it alone

And hold it along
Haul it along
And hold it
To go it alone
And hold it along
Haul it along
To go it alone
And hold it along
Haul it along
And hold it
Blackbirds, backwards, forwards, and fall and hold
hold

This could be the saddest dusk
I've ever seen
Turn to a miracle
High alive
My mind is racing
As it always will
My hands tired, my heart aches
I'm half a world away and go
