The world is an oyster, the bitter refrain
The Lord is my shepherd, I cannot stay
This blessed earth, this beautiful land
A new day that breaks the dawn

I am the tide, the oceans sing
I am the anchor, I hold the brass ring
I am the action, the deed of our king
I am the static goodnight

You make me to stand in the square on scene
And make my choice, decision sing
And bring my Lord, what this may bring
I stand before you alone

I rallied and sang and shouted refrains
I'm blessed, turn the radio on
The air was calm
I held the bomb and the radio, the radio

Hallelu, Hallelu, Hallelujah

Hallelu, Hallelu, Hallelujah
Hallelu, Hallelu, Hallelujah
Hallelu, Hallelu, Hallelujah
Hallelu, Hallelu, Hallelujah
