I'm looking for an interruption,
Do you believe?
You looking to dig my dreams
Be prepared for anything
You come into my little scene
Hooray, hooray, hip hip hooray
There's one thing I can guarantee:
You won't have to dig, dig too deep
Said leave me to lay, but touch me deep,
I don't sleep, I dream
I'll settle for a cup of coffee, but you know what I really
need

Are you looking to drive my dreams?
You here to run my screens?
You come, deliver my demons
Hooray, hooray, hip hip hooray
Are you coming to ease my headache?
Do you give good head?
Am I good in bed?
I don't know, I guess so
I don't sleep, I dream
I'll settle for a cup of coffee, but you know what I really
need

I'm looking for an interruption,
Can you believe?
Some medicine for my headache
Hooray, hooray, hip hip hooray
I'm pitching for a new direction
Pinch me when I wake
Don't tell me my dreams are fake
You leave me to lay, you touch me deep,
I don't sleep, I dream
I'll settle for a cup of coffee, but you know what I really
need
Leave me to lay, but touch me deep,
I don't sleep, I dream
I'll settle for a cup of coffee, but you know what I really
need
