Death is pretty final
I'm Collecting vinyl
I'm gonna DJ at the end of the world
'cause if heaven does exist
With a kickin' playlist
I don't wanna miss it at the end of the world

Hey steady steady, hey steady steady
I don't wanna go until I'm good and ready...

It's on my mind
And it's in my mind
And it's what I found
And it's what I find
It's on my mind
And it's in my mind
And it's what I've found
Oh my oh my
But "I'll spin my way right through it."
Claims enthusiast Jack Pruitt
As the moths cicle the moon
As you're circling the room

Music will provide the light
You cannot resist
You cannot resist
You cannot resist

And the weblocks that get tangled
As you willie and you wangle
In your walk-up in Seattle
Where you fought the nascent battle
And you threw the thread and throttle

Let us raise another bottle
Raise another bottle
Raise another bottle

Because death is pretty final
I'm collecting vinyl
I'm gonna DJ at the end of the world

Hey steady steady, hey steady steady
I don't wanna go until I'm good and ready
It's on my mind
It's in my mind
It's what I found
And it's what I find

'cause it's on my mind
It's in my mind
It's what I found
Oh my oh my

Hey steady steady, hey steady steady
I don't wanna go until I'm good and ready
Hey steady steady, hey steady steady
I don't wanna go until I'm good and ready

Music will provide the light
You cannot resist
You cannot resist
You cannot resist
Yeah
