That's great, it starts with an earthquake, birds and
snakes, an aeroplane -
Lenny Bruce is not afraid. Eye of a hurricane, listen to
yourself churn -
world serves its own needs, regardless of your own
needs. Feed it up a knock,
speed, grunt no, strength no. Ladder structure clatter
with fear of height,
down height. Wire in a fire, represent the seven games
in a government for
hire and a combat site. Left her, wasn't coming in a
hurry with the furies
breathing down your neck. Team by team reporters
baffled, trump, tethered
crop. Look at that low plane! Fine then. Uh oh, overflow,
population,
common group, but it'll do. Save yourself, serve
yourself. World serves its
own needs, listen to your heart bleed. Tell me with the
rapture and the
reverent in the right - right. You vitriolic, patriotic, slam,
fight, bright
light, feeling pretty psyched.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel fine.

Six o'clock - TV hour. Don't get caught in foreign tower.
Slash and burn,
return, listen to yourself churn. Lock him in uniform and
book burning,
blood letting. Every motive escalate. Automotive
incinerate. Light a candle,
light a motive. Step down, step down. Watch a heel
crush, crush. Uh oh,
this means no fear - cavalier. Renegade and steer
clear! A tournament,
a tournament, a tournament of lies. Offer me solutions,

offer me alternatives
and I decline.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel fine.

The other night I tripped a nice continental drift divide.
Mount St. Edelite.
Leonard Bernstein. Leonid Breshnev, Lenny Bruce and
Lester Bangs.
Birthday party, cheesecake, jelly bean, boom! You
sympiotic, patriotic,
slam, but neck, right? Right.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel
fine...fine...
