That's great, it starts with an earthquake
Birds and snakes, an aeroplane, Lenny Bruce is not
afraid
Eye of a hurricane, listen to yourself churn
World serves its own needs, regardless of your own
needs

Feed it up a knock, speed, grunt no, strength no
Ladder structure clatter with fear of height, down
height
Wire in a fire, represent the seven games
In a government for hire and a combat site

Left her, wasn't coming in a hurry with the furies
Breathing down your neck
Team by team reporters baffled, trump, tethered crop
Look at that low plane, fine then
Uh oh, overflow, population, common group but it'll do

Save yourself, serve yourself
World serves its own needs, listen to your heart bleed
Tell me with the rapture and the reverent in the right,
right
You vitriolic, patriotic, slam, fight, bright light, feeling
pretty psyched

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine

Six o'clock, TV hour, don't get caught in foreign tower
Slash and burn, return, listen to yourself churn
Lock him in uniform and book burning
Blood letting every motive escalate, automotive
incinerate
Light a candle, light a motive, step down, step down

Watch a heel crush, crush
Uh oh, this means no fear, cavalier
Renegade and steer clear
A tournament, a tournament, a tournament of lies

Offer me solutions, offer me alternatives and I decline

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine

The other night I tripped a nice continental drift divide
Mount St. Edelite, Leonard Bernstein
Leonid Breshnev, Lenny Bruce and Lester Bangs
Birthday party, cheesecake, jelly bean, boom
You symbiotic, patriotic, slam but neck, right? Right

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine,
fine

It's time I had some time alone
