That's great
It starts with an earthquake, birds and snakes an
aeroplane
Lenny Bruce is not afraid, eye of a hurricane
Listen to yourself churn world serves its own needs
Don't misserve your own needs

Feed it up a knock, speed, grunt no, strength no
Ladder structure clatter with fear of height
Down high wire in a fire, representing seven games
In a government for hire and a combat site

Left her, wasn't coming in a hurry with the furies
Breathing down your neck
Team by team reporters baffled, trump, tethered, crop
Look at that low plane

Fine, then uh oh, overflow, population, common group
But it'll do, save yourself, serve yourself
World serves its own needs, listen to your heart bleed
Tell me with the rapture and the revered and the right,
right
You vitriolic, patriotic, slam fight, bright light, feeling
pretty psyched

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine

Six o'clock, TV hour, don't get caught in foreign towers
Slash and burn, return, listen to yourself churn
Lock him in uniform and book burning, blood letting
Every motive escalate, automotive incinerate

Light a candle, light a motive, step down, step down
Watch your heel crush, crush, uh oh, this means no
fear cavalier
Renegade steer clear a tournament, a tournament, a
tournament of lies
Offer me solutions, offer me alternatives and I decline

It's the end of the world as we know it
It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it and I feel fine
(It's time I had some time alone)
I feel fine

It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it and I feel fine
(It's time I had some time alone)

The other night I tripped a nice continental drift divide
Mountains sit in a line
Leonard Bernstein, Leonid Brezhnev Lenny Bruce and
Lester Bangs
Birthday party, cheesecake, jelly bean boom!
You symbiotic, patriotic, slam, but neck, right, right

It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it and I feel fine
(It's time I had some time alone)

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine
(It's time I had some time alone)

It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it and I feel fine
(It's time I had some time alone)

It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it
(It's time I had some time alone)
It's the end of the world as we know it and I feel fine
(It's time I had some time alone)
