Oh, life is bigger, it's bigger than you
And you are not me
That I will go to the distance in your eyes
Oh no, I've said too much, I set it up

That's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it

Oh no, I've said too much, I haven't
said enough
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

Every whisper of every wakin' hour
I'm choosing my confessions
Trying to keep an eye on you
Like a hurt, lost and blinded fool
Oh no, I've said too much, I've set it up

Consider this, consider this
The hint of the century, consider this
The slip that brought me to my knees failed
What if all these fantasies come flailing around

Now I've said too much
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

That was just a dream
That was just a dream

That's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it

Oh no, IÃ¢ÄÃ¢Ä ve said too much, I havenÃ¢ÄÃ¢Ä t
said enough
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

That was just a dream, try, try, try, try
That was just a dream, just a dream
