Take a turn, take a turn  
Take our fortune, take our fortune

They called the clip a two-headed cow  
Your hate clipped and distant, your luck, pilgrimage  
Rest assured this will not last, take a turn for the worst  
Your hate clipped and distant, your luck, a two headed  
cow

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take our fortune, take our fortune

Speakin' in tongues, it's worth a broken lip  
Your hate clipped and distant, your luck, pilgrimage  
Rest assured this will not last, take a turn for the worst  
Your hate clipped and distant, your luck, a two headed  
cow

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take a turn, take a turn  
Take our fortune, take a turn  
Take our fortune, pilgrimage, pilgrimage

Speakin' in tongues, it's worth a broken lip  
Your hate clipped and distant, your luck  
Rest assured this will not last, take a turn for the worst  
Your hate clipped and distant, your luck, two headed

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take a turn, take a turn  
Take our fortune, take a turn  
Take our fortune, pilgrimage, pilgrimage

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take a turn, take a turn  
Take our fortune, take a turn  
Take our fortune, take a turn

Take a turn, take a turn  
Take a turn, take a turn  
Take our fortune, take a turn  
Take our fortune
