A public service announcement followed me home the
other day,
I bade it nevermind, go away.
The shit's so thick, you could stir it with a stick,
the paper wouldn't lie, we assume the loss to mankind
and gloat and jeer with it

Broadcast me a joyful noise into the times, Lord,
count your blessings, ignore the lowest fear, well you
can't sandblast glisten,

Radio no, play the game, three words, first one short,
magazine, book, cinema, N - O - down,
many fears are gone, step down, step down,
watch a heel crush, ah this means war

I saw the light, it can't be right

Broadcast me a joyful noise into the times, Lord,
count your blessings, ignore the lowest fear, well you
can't sandblast

It's been a bad day, please don't take my picture,

It's been a bad day, please
It's been a bad day, please don't take my picture,
It's been a bad day, please

A public service announcement followed me home the
other day,
I bade it nevermind,
The shit's so thick, you could stir it with a stick,
the paper wouldn't lie, we assume the loss to mankind
and gloat and jeer with it

Broadcast me a joyful noise into the times, Lord,
count your blessings, ignore the lowest fear, come
one, what more?

It's been a bad day, please don't take my picture,
It's been a bad day, please
It's been a bad day, please don't take my picture,

It's been a bad day, please
