Did you never call? I waited for your call
These rivers of suggestion are driving me away
The trees will bend, the cities wash away
The city on the river, there is a girl without a dream

I'm sorry, I'm sorry, I'm sorry, I'm sorry

Eastern to mountain, third party called, lines are down
The wise man built his words upon the rocks
But I'm not bound to follow suit
The trees will bend, the conversation's dimmed
Go build yourself another home, this choice isn't mine

I'm sorry, I'm sorry

Did you never call? I waited for your call
These rivers of suggestion are driving me away
The ocean sang, the conversation's dimmed
Go build yourself another dream, this choice isn't mine

I'm sorry, I'm sorry, I'm sorry, I'm sorry
Hey, hey, hey, hey
