Everybody here,
Comes from somewhere,
That they would just as soon forget,
And disguise.
At the summer camp where you volunteered,
No one saw your face, no one saw your fear.
If that apparition just appeared,
Took you up and away from this place and shared

Humiliation,
Of your teenage station.
Nobody cares,
No one remembers and nobody cares.
And you cried and you cried,
He's alive, he's alive.
And you cried and you cried and you cried and you
cried.

If you call out safe then I'll stop right away,
If the premise buckles and the room starts to shake,
The details swap,
And the story's the same.
You don't have to explain.
You don't have to explain

Humiliation,
Of your teenage station.
Yeah you cried and you cried,
He's alive, he's alive.
And you cried and you cried and you cried,
And you realize your fantasies are
Dressed up in travesties.
Enjoy yourself with no regrets.

Everybody here,
Comes from somewhere,
That they would just as soon forget,
And disguise.
And you cried and you cried,
He's alive, he's alive.
Yeah you cried and you cried and you cried and you
cried.

Oh, you cried and you cried.
Oh, you cried and you cried.

Now there's nothing dark and there's nothing weird,
Don't be afraid, I will hold you near,
From the s@nce where you first betrayed
An open heart on a darkened stage.
A celebration,
Of your teenage station.

It's an experience;
Sweet, delirious,
Supernatural, sperserious.
An experience,
Sweet, delirious,
Supernatural, superserious.
