Ask the girl of the hour  
By the water towers watch  
If your friends took a fall  
Are you obligated to follow

Time after time after time

If you're tired and you tried  
You can find me in my room  
You can stay if you want  
And the third time you cant lose

Time after time after time  
Time after time after time

If the bulls on his hooves  
When you gather friends by the tower  
If you try to refuse  
Will they judge your worth by the hour?

Time after time after time  
Time after time after time

Red rain is coming down  
Red rain is coming down  
Pouring down on me  
I come to you defenses down with the trust of a child

Did you never call? I waited for your call  
These rivers of suggestion are driving me away  
The trees will bend, the cities wash away  
The city on the river there is a girl without a dream

I'm sorry, I'm sorry

Eastern to mountain, third party call  
The lines are down  
The wise man built his words  
Upon the rocks

But I'm not bound to follow suit  
The trees will bend, the cities wash away

The city in the mountains  
There is a boy without a dream

I'm sorry, I'm sorry

Did you never call? I waited for your call  
These rivers of suggestion are driving me away  
The ocean sang, the conversations dimmed  
Go buy yourself another dream, this choice wasn't  
mine

I'm sorry, I'm sorry, I'm sorry, I'm sorry

I would swim the ocean deep  
Climb the highest mountain peak  
I come to your defenses down  
With the trust of a child
