Light voices scream nothing seems real's a dream

Leaving the things that you learned behind
Leaving the things that you love behind
All of the things that you learned were real
Nothing except for the years
Voices scream, nothing seems real's a dream

Toys, toys, toys in the attic
Toys, toys, toys in the attic
Toys, toys, toys in the attic
Toys, toys, toys in the attic

Light voices scream nothing seems real's a dream

Leaving the things that you love behind
Leaving the things that you learned behind
All of the things that you learned were real
Nothing except for the years
Voices scream, nothing seems real's a dream

Toys, toys, toys in the attic
Toys, toys, toys in the attic
Toys, toys, toys in the attic
Toys, toys, toys in the attic

Goodnight
