(Berry/Buck/Mills/Stipe)

I will try not to breathe
I can hold my head still with my hands at my knees
These eyes are the eyes of the old, shivering and bold

I will try not to breathe
This decision is mine. I have lived a full life
And these are the eyes that I want you to remember, oh

I need something to fly over my grave again
I need something to breathe

I will try not to burden you
I can hold these inside. I will hold my breath
Until all these shivers subside,
Just look in my eyes

I will try not to worry you
I have seen things that you will never see
Leave it to memory me. I shudder to breathe

I want you to remember, oh (you will never see)
I need something to fly (something to fly)
Over my grave again (you will never see)
I need something to breathe (something to breathe)
Baby, don't shiver now
Why do you shiver now? (I will see things you will never see)
I need something to fly (something to fly)
Over my grave again. (I will see things you will never see)
I need something to breathe, oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh

I will try not to worry you
I have seen things that you will never see
Leave it to memory me. Don't dare me to breathe
I want you to remember, oh (you will never see)

I need something to fly (something to fly)
Over my grave again (you will never see)
I need something to breathe (something to breathe)
Baby, don't shiver now
Why do you shiver? (I will see things you will never see)
I need something to breathe (something to breathe - I
have seen things you will
Never see)
I want you to remember
