Hey now, take your pills and  
Hey now, make your breakfast  
Hey now, comb your hair and off to work  
Crash land, no illusions, no collision, no intrusion  
My imagination runs away

I know, I know, I know what I am chasing  
I know, I know, I know that this is changing me

I am flying on a star into a meteor tonight  
I am flying on a star, star, star  
I will make it through the day  
And then the day becomes the night  
I will make it through the night

Hey now, take the U-Bahn, five stops, change the  
station  
Hey now, don't forget that change will save you  
Hey now, count a thousand-million people, that's  
astounding  
Chasing through the city with their stars on bright

I know, I know, I know what I am chasing  
I know, I know, I know that this is changing me

I am flying on a star into a meteor tonight  
I am flying on a star, star, star  
I will make it through the day  
And then the day becomes the night  
I will make it through the night

I don't mind repeating, I am not complete  
I have never been the gifted type  
Hey, man, tell me something, are you off to  
somewhere?  
Do you want to go with me tonight?

I know, I know, I know that this is changing  
We walk the streets to feel the ground I'm chasing:  
œBerlin

I am flying on a star into a meteor tonight

I am flying on a star, star, star  
I will make it through the day  
And then the day and then the day becomes the night  
I will make it through the night
