I am a lineman for the county  
And I drive the main road  
Searchin' in the sun for another overload

I hear you singing in the wire  
I can hear you through the whine  
The Wichita lineman is still on the line

I know I need a small vacation  
But it doesn't look like rain  
If it snows that stretch down south  
Won't ever stand the strain

And I need you more than want you  
And I want you for all time  
The Wichita lineman is still on the line

And I need you more than want you  
And I want you for all time  
The Wichita lineman is still on the line  
Still on the line, still on the line
