Do you remember when we used to use a cassette
player?
MP3s and DVDs weren't invented.
Do you remember people asking will you go out with
me?
You'd "Yes, I'd love to" and you meant it.

Chorus

The new old days, when nothing stood in your way,
when
Everything was A OK, oh yeah those good new old
days.

Do you remember coming home from school and all
you did
Was chill?
You'd watch woof, grotbags, byker grove and sean
Maguire in grange hill.
Your mum made you dinner and you hated greens,
then it
Was time for a bath which you weren't so keen on then.
Even though you were covered in pen.

Chorus

You'd wear Reebok and Fila and you thought you were
Cool. You'd listen to Kris Kros and JUMP JUMP round
Your school. You'd never listen in class but you new it
All. You'd buy Naf Naf jackets off your dad's mate
Paul. Doo Do Do. Do you remember 'cos I remember it
All.

Chorus

Timmy Mallet and Funhouse with Pat Sharpe. Guess
Who.
Connect 4 and Murder in the dark."Had" in the
Playground, swinging on monkey bars. Looking back
now
Haven't we grown up fast.

Chorus x2
