[Verse 1:]

See this ain't nothin that you used to  
Out of the ordinary and unusual  
You gotta have the mind state like I'm so great  
And can't nobody do it like you do  
Miraculous, phenomenal  
And ain't nobody in here stoppin' you  
Show no love, cause you's wassup  
Look in the mirror, like what the fuck  
Damn, I look good  
And can't nobody freak it like I could  
Yeah, okay, I got a little fat butt  
My shorty tell me he like it like that  
I'm happy, another me there never can be  
See, I'm so outstanding  
Don't care if they can't stand me  
I'm sittin on top of the world LIKE BRANDY

[Chorus 1:]

See I look too good for this necklace  
And I look too good to be wearin' this  
You know I look way too good to be innocent  
I'm conceited, I got a reason  
See I look too good to be drivin' that  
And I look too good to be buyin' that  
You know I look way too good to be tryin' that  
I'm conceited, I got a reason

[Verse 2:]

Now who's that peekin' in my window  
Nobody cause I live in a penthouse  
Baby I'm sorry, but I'm sexy  
And all I want you to do is just bless me, let's see  
This kid that I'm waitin' on  
He said he love when my jeans look painted on  
With this tight white tee, you ain't quite like me  
Probably why I'm always gettin' hated on  
Now shorty tryin' to push up on me like a wonder bra  
Listen when I speak, I wouldn't want you to take it  
wrong  
Now, number one, I don't need you  
And it's true, I only see you when I see you

Listen, two, you could never play me (why's that)  
'cause I'm such a fuckin' lady  
Three, it's all about me  
I don't wanna talk about it  
If you love to hear it, here it go  
I wrote a song about it

[Chorus 2:]

See I look too good to be fuckin' you  
And I look too good to be lovin' you  
You know I look way too good to be stuck with you  
I'm conceited, I got a reason  
See I look too good to be gettin whipped  
And I look too good to be havin' kids  
You know I look way too good to be in a crib  
I'm conceited, I got a reason

[Verse 3:]

Oh, I know what I'm doin'  
I can't stop my body from movin'  
I'm boppin' and poppin' to the music  
He keeps watchin' me and he's about to lose it  
I'm droppin' it hotter then the DOGFATHER SNOOP DID  
Face down, ass up, on some new shit  
I'm outta control wit it, dip it low, pick it up slow  
Poke it out, now roll wit it  
My thong showin', but it's cool, my shoes go wit' it  
Now all I need is a room wit a pole in it  
See I look good and I'm knowin' it  
And I was never too proud to be showin' it

[Chorus 1:]

See I look too good for this necklace  
And I look too good to be wearin' this  
You know I look way too good to be innocent  
I'm conceited, I got a reason  
See I look too good to be drivin' that  
And I look too good to be buyin' that  
You know I look way tood good to be tryin' that  
I'm conceited, I got a reason

[Chorus 2:]

See I look too good to be fuckin' you  
And I look too good to be lovin' you  
You know I look way too good to be stuck with you  
I'm conceited, I got a reason  
See I look too good to be gettin whipped  
And I look too good to be havin' kids  
You know I look way too good to be in a crib  
I'm conceited, I got a reason
