(Written By Dave Scott)

Always there when you needed me,  
Called you back when you tried to flee,  
Cried for you would of died for you,  
But you were never there for me.

I Close my eyes so I don't see you leave  
I Close my eyes so I don't see you leave

When tears ran down your pretty face,  
I wiped them away and left no trace,  
I wish you would've done the same for me,  
But I guess I am the one blame.

Tears are the last thing I have to give.  
Your indecisions make it hard to live.

I close my eyes so I don't see you leave,  
I run and hide so you don't make me leave,  
I close my eyes so I don't see you leave
