(But it's hard when you're famous)

(Written by Dave Scott)

Out with the heels and the chosen few  
Lovin the boys from razorblade's mirror  
I'll be lovin him under my shoe  
Pistol will fire, water will kill

His Rolex glints in her magpie eyes  
They shine wildly and bright  
Until she's blinded by his bedroom lies  
Sparks will start fires, deep in her heart

I'm not the one left out, everyone else is trying to get  
in.  
I'm not the one left out, everyone else is trying to get  
in.

Doin well quick get her pissed  
Scratch another of his most wanted list  
Drive the knife in with a goodbye kiss  
She's still warm, just how he likes them

Cuts of her hand, a little memory  
Shame there was no-one around to see  
She was good but won't be missed  
Jump in the river, she won't be found

I'm not the one left out, everyone else is trying to get  
in.

Oooooooo don't kid yourself (Marcus and Jonny Backing)

Living for that killer feeling (Dave other backing)

The wind will blow and the rain will fall, your friends will  
search and they will call, but they're never going to find  
you alive.

Gotta buy breakfast cause his ciggies too short, pubs  
only open at 10, Spots himself a new sucker for fame,

playtime again just one more go.  
Everyone wants to be alone
