Warriors of the morning  
I call you forth into battle  
Warriors of the morning  
Stand fast and obey  
You are a people  
The nations have not yet observed  
A people that the Church  
Has desired and waited for  
I call you out  
Of dry and dead religion  
I call you out  
Of self-serving and man-made rules  
I whisper and call you to come forth  
And stand fast in the liberty of the Spirit  
Come forth  
And be inspired  
Come forth  
With dedication  
Come forth  
With purity of heart  
Come forth  
For I have risen  
To be your King  
Let the warriors of the morning arise!  
The sons of the living God, coming forth in the Spirit  
Will change the spiritual atmosphere  
And correct the way of the nations  
By bringing forth the power of divine purpose  
I call you out  
Of dry and dead religion  
I call you out  
Of self-serving and man-made rules  
I whisper and call you to come forth  
And stand fast in the liberty of the Spirit  
Come forth  
And be inspired  
Come forth  
With dedication  
Come forth  
With purity of heart  
Come forth  
For I have risen

To be your King  
I have a sword in my hand  
And I go forth to battle  
Come, My people, and be empowered to join Me  
In this battle of the end of the age  
Come forth  
And be inspired  
Come forth  
With dedication  
Come forth  
With purity of heart  
Come forth  
For I have risen  
To be your King  
Let the warriors of the morning arise!
