So tired of broken hearts, of losing at this game  
Before I start this dance  
I take a chance in telling you  
I want more than just romance  
You are my destiny, I can't let go baby  
Can't you see  
Cupid please take your aim at me  
Cherish the thought  
Of always having you here by my side  
Cherish the joy  
You keep bringing it into my life  
Cherish your strength  
You got the power to make me feel good  
Perish the thought  
Of ever leaving I never would  
I was never satisfied with casual encounters  
I can't hide the need for two hearts that bleed  
With burning love  
That's the way it's got to be  
Romeo and Juliet, they never felt this way I bet  
So don't underestimate my point of view  
Cherish the thought  
Of always having you here by my side  
Cherish the joy  
You keep bringing it into my life  
Cherish your strength  
You got the power to make me feel good  
Perish the thought  
Of ever leaving I never would  
Who ? You ! Can't get away, I won't let you  
Who ? You ! I could never forget to  
Cherish is the world I use to remind me of  
... your love  
Romeo and Juliet, they never felt this way I bet  
So don't underestimate my point of view  
Give me strength  
Give me joy my boy  
I will always  
Cherish you
