You can't stop people from talking  
And they're talking my dear  
And the things they're saying  
Fill my heart with fear  
Now I could never believe them  
When they say you're untrue  
I know that they're mistaken  
Still I want to hear it from you  
Say it isn't so  
Say it isn't so  
Everyone is saying you don't love me,  
Say it isn't so  
Everywhere I go, everyone I know,  
Whispers that you're growing tired of me,  
Say it isn't so  
People say that you found somebody new  
And it won't be long before you leave me  
Say it isn't true  
Say that everything is still okay  
That's all I want to know  
And what they're saying, say it isn't so
