This is the moment
This is the day,
This is the moment when I know
I'm on my way
Every endeavour
I have made ever
Is coming into play
Is here and now today,

This is the moment
This is the time,
When the momentum
And the moment are in rhyme
Give me this moment
This momentous moment
I'll gather up my past
And make some sense at last,

This is the moment
When all I've done
All of the dreaming
Scheming and screaming
Becomes one
This is the day
Just see it shine,
When all I've lived for
Becomes mine

This is the moment
This is the hour,
When I can open up tomorrow
Like a flower,
And put my hand to
Everything I planned to
Fulfill my grand design,
See all my stars align
This is the moment
My final test
Destiny beckoned
I never reckoned
Second best,
I won't look down

I must not fall
This is the moment
The sweetest moment of them all,

This is the moment
Damn all the odds,
This day or never
I'll sit forever with the Gods,
When I look back
I will recall
Moment for moment
This was the moment
The greatest moment of them all
