If there's a time when the tears should fill your eyes
And you can't see past the shadows
To the sun on the other side
Don't despair
Because there always will be someone there
Don't lose faith
Love won't let you lose your way because you
You'll never stand alone
I'll be standing by
I'll keep you from the cold
I'll hold you when you cry
I'll be there to be strong when you can't find the
strength inside
And you
You'll always have a home
In these arms of mine
You'll never stand alone
Love is standing by
If there's a day
When the rain should find your heart
And you're cold and tired and lonely
And this world has you in the dark
Don't be scared
You can reach for me and I'll be there
Don't lose hope
Love will see you through you know
Because you
You'll never stand alone
I'll be standing by
I'll keep you from the cold
I'll hold you when you cry
I'll be there to be strong
When you can't find the strength inside
And you
You'll always have a home
In these arms of mine
You'll never stand alone
Love is standing by
Pag. 2 vervolg: you'll never stand alone

Standing by to lift you above all the hurt and pain
Standing by to carry you through

All the tears and rain
You gotta reach for me
And I'll be with you
You gotta reach for me
And I'll see you through
I'll be the one to hold you
The one to show you yes you
You'll never stand alone
I'll be standing by
I'll keep you from the cold
I'll hold you when you
