Me encontrÃ© un angelito
Que bajÃ³
Del cielo azul
Yo perdÃ© un angelito
CorazÃ³n
Llegaste tÃ©
Angelito dÃ©jame decir
Que antes que te vÃ©
No conocÃ­a a el amor
Y por ti aprendÃ©
Eres para mÃ©
La dicha que soÃ±e
Mi bendiciÃ³n

Llegaste en mi soledad
Como un amanecer
Iluminando asÃ­
Mi corazÃ³n
Todo mi ser

I'm in love with an angel
One who says
I love you so
Heaven sent me an angel
And my angel is you

Let me tell you
I was sad and blue
With nothing else to do
Looking at the rain
On my window pane
When she smiled at me
Then everyone could see
The rain was stopped

I've never been so much in love
My heart can tell you so
I've never felt this way
But now I know
Honest I do

I'm in love with an angel

And I know
She's really real
Got a date with an angel
For the rest of my life

Angelito dÃ©jame decir
Que antes que te vÃ
No conocÃa a el amor
Y por ti aprendÃ
Eres para mÃ
La dicha que soÃ±e
Sha la la la la la
