You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart, you've changed

You've changed
Your kisses now are so blase
You're bored with me in every way
I can't understand, you've changed

You've forgotten the words, I love you
Each memory that we've shared
You ignore every star that shines above you
I can't realize you've ever cared, you've changed

You're not the angel I once knew
No need to tell me that we're through
It's all over now, you've changed

You've forgotten the words, I love you
Each memory that we've shared
You ignore every star above you
I can't realize you've ever cared, you've changed

You're not the angel I once knew
No need, no need to tell me that we're through
It's all over now, you've changed
