Your eyes flashing te-ells me that you are needing
Someone who will see you through, through the stormy
night

Fo-ollow your heart, you'll find that
I won't let those dark clouds gather 'round - my love
I'll be your shining star, got to make you see
Don't mention the feelings that you feel
'Cause I want you to set them be

I'm gi-ivin' you a warnin', I don't wanna stop this feeling
You got to be there in the mornin', I can feel our new
love dawnin'
For you and me-ee-ee-ee-ee, yeah-eah-eah-eah

Deep inside me, I feel your smile, your smile went
through me-ee-ee-ee
Overflow me, it makes me feel a fever runnin' through
me
Like a shooting star, you light up every single part of
me
With desire for your love, this is a feelin' that only we
can share
And pretty soon you'll be moving to the rhythm of
standing in the air

I'm givin' you a warnin', I don't want to stop this feeling
No, you got to be there in the mornin'
I can feel our new love dawnin', for you and me-ee-ee-
ee-ee

You got to my hear-ear-eart

Just follow your heart, you'll find that
I won't let those dark clouds gather 'rou-ound my love
I'll be your shining star, gotta make you see
Don't mention the feelings that you feel 'cause I want
you to set them free

Givin' you a warnin', I don't wa-a-a-anna stop this
feeling, no
You gotta to be there in the mornin', I can feel our new

love dawnin'

Do-do-do-do-do-da-dah, do-da-da-da-dah

Do-do-do-do-do-da-dah, Do-da-da-dah, do-da-dah, da-
do-da-dah

Do-do-do-do-do-do-do-yay

Be there in the mornin', be there in the mornin'

You gotta-ah, you gotta-ah, you gotta-ah-ah-ah,

Be there
