Verse

It happens every time
When I look in your eyes
I can feel the love within your heart
It's a mystery
But my love just won't set me free

Chorus

It only happens (ooh darling)
When I look at you
It only happens (ooh darling)
When I look at you

Verse

How can I say
The way I feel about you now
I guess you know my love depends on you
How can I explain
When time and time again it starts

Chorus

It only happens (ooh darling)
When I look at you
It only happens (ooh darling)
When I look at you

Bass Instrumental: 4 bars

It only happens (ooh darling)

I guess you know the way
The way I feel about you now
I guess you know my love depends on you
