They tell you a good girl is quiet  
And that you should never ask why  
Cause it only makes it harder to fit in  
And you should be happy, excited  
Even if you're just invited  
Cause the winners need someone to clap for them

It's so hard just waiting  
In a line that never moves  
It's time you started making  
Your own rules

You gotta scream until there's nothing left  
With your last breath  
Say here I am  
Here I am  
Make em listen  
Cause there is no way you'll be ignored  
Not anymore  
Say here I am  
Here I am  
Here I am  
Here I am

You only get one life to work it  
So who cares if it's not perfect  
Say "it's close enough to perfect for me"  
Why should you hide from the thunder  
And the lightening that your under  
Cause there ain't nobody else you want to be

If how your living isn't working  
There's one thing that'll help  
You got to finally just stop searching  
To find yourself

You gotta scream until there's nothing left  
With your last breath  
Say here I am  
Here I am  
Make em listen  
Cause there is no way you'll be ignored

Not anymore  
Say here I am  
Here I am  
Here I am

The world better make some room  
Yea move over, over  
Cause your coming through  
Cause your coming through

You gotta scream until there's nothing left  
With your last breath  
Here I am  
Here I am  
Make em listen  
Cause there is no way you'll be ignored  
Not anymore  
So here I am  
Here I am  
Here I am  
Here I am  
Here I am
