Well, my baby drove up in a brand new Cadillac
My baby drove up in a brand new Cadillac
She ain't never ever comin' back

Baby, baby, baby please, can't you see I'm on my
bended knees?
Your heart's so cold that it's gonna freeze?
All right now, let me hear you say it

No, no, no, no. no

Well, my baby drove up in a brand new Cadillac
My baby drove up in a brand new, brand new Cadillac
She ain't never ever comin' back

Come on now

Suck it to you're daddy

Someway I drove off to here
