Hello there boy
Enter your code
Then choose the mode
This night's too long
To be spent alone
I could be sweet

Play hard to get
Blonde or brunette
Glow on your screen
Like a mirrorball

Tell me what you want
Tell me what you need
Tell me whom to be
To rule your world

I could make you smile
I could make you scream
I could make you uh!
And beg for more

I'm not real
But I'm yours
Your fingertips
And all their tricks
My glossy lips
No other user
Feels just as good

I'll be your gift
A fantasy
Of you and me
Your only one
Right at your door

Am I what you want
Am I what you need
Tell me whom to be
To rule your world

I could make you smile
I could make you feel
I could make you uh!
And beg for more
I'm not real But I'm yours
