"The Rooster Crows"

Eager and bold, Passionate fold,
Never to be cajoled!
"Even if I, with you must die,
'Tis you I'll not deny"

Now that you're alone,
And you're chilled to the bone,
Play another role just near the fire,
Though you said,
"Even if I, with you must die,
'Tis you I'll not deny"

Eager and bold, Passionate fold,
Never to be cajoled!
"Even if I, with you must die,
'Tis you I'll not deny"

See a scattered flock,
In disguise round the clock,
Hiding from accusing glares undue,
How they sing,
"Even if I, with you must die,
'Tis you I'll not deny"

Eager and bold, Passionate fold,
Never to be cajoled,
"Even if I, with you must die,
'Tis you I'll not deny"

But you compromise as a rule,
You're street wise in the frenzy
For prosperity... Then you sing,
"Even if I, with you must die,
'Tis you I'll not deny"
