Cant' You See That It Is Totally Black  
I've Never Seen A Twin Spirit Like That  
It Seems As Though he does Not Understand !

And There's Another Incredible Thing  
Look At The Scrren On The Desk Behind Him  
Tell Me If I'm Mad Of If I'm A Fool  
Isn't That Showing Exactly His View !

There's Nothing Left To Explain  
There's A Human In This Land  
Can't Deal With Such A Shame  
There's A Human In This Land  
In This Land !

It's An Incredible Dangerous Event

But We Should Call The Preamature Mess  
Wild Tribe Will Know That As Soon As We'll Get  
Back To Our Kingdom Where We'll Surely Act !

There's A Human In This Land  
Can't Deal With Such A Shame

There's A Human In This Land  
In This Land !

[Storyteller]  
Wild Tribe's caravan started it's walk back to the  
African Kingdom, a progressively disappeared into the  
horizon. King Mc Chaos got back to his place too,
