[It was 7.00 and the alarm clock rang loudly as it does every day. That was the same deep sound that always breaks the silence of the morning. The reason for the suspicion was later found in the strange, irregular beat that the clock was ringing. Genius was a smart drummer and focusing better, he discovered that there was a regular pattern on that clock beat. He started to imagine a spare drum fill that followed that rhythm. He was completely amazed by that bell ring pattern and a strange and beautiful feeling started to raise and invade him : it was like a strong attraction, forcing him to saty in bed. Suddenly, with a quick move, he turned in his bed and started to sleep again.]

Crazy Beat Played On A Snare

I Am Totally Caught By
That Incredible Sound

Something Strange Is Still Going On
And I'm So Relaxed
Lying On My Bed
Listening To

[Genius] It's Calling Me Back
[Twin Spirits Choir] That Strange Sequence
[Genius] I Cannot Resist
[Twin Spirits Choir] That Strange Sequence

[Genius] It's Calling Me Back To My World Of Dreams

[Genius]
I Once Used To Stand Up
Right After The First Bell's Ring
Everything Now Seems So Weird
I Don't Recognize Myself

I Am Totally Caught By
That Incredible Sound
Something Strange Is Still Going On
And I'm So Relaxed
Lying On My Bed
Listening To

[Twin Spirits Choir] That Strange Sequence

[Twin Spirits Choir] That Strange Sequence
[Genius] That Feeling Persist
[Twin Spirits Choir] That Strange Sequence

The World Can Do

I'm Standing Behind A Great Gold Gate

Let Him Enter Through The Kingdom Gate
Let The New Born Take His Own Place

[Storyteller]

The entrance to the gate was surrounded by a majestic sound of choirs and bells. All of a sudden, the gate was opened and Genius was captured by an incredible vortex that led him to the huge entrance. At the end of that stormy moment, Genius saw through the haze two strange masses slowly taking shape before his eyes. The figures seemed to be two beautiful women with sweet smiles upon their faces. With a delicate whisper, the women welcomed him
