There is no future
There is no past
Thank God this
Moment's not the last

There's only us
There's only this
Forget regret
Or life is yours to miss

No other road
No other way
No day but today

I can't control
(Will I lose my dignity?)
My destiny
(Will someone care?)

I trust my soul
(Will I wake tomorrow?)
My only goal
(From this nightmare)

Is just to be without you the hand gropes
(There's only now, there's only here)
The ear hears, the pulse beats
(Give in to love or live in fear)
Life goes on but I'm gone
(No other path, no other way)

'Cause I die without you
(No day but today)
I die without you
(No day but today)

I die without you
(No day but today)
I die without you
(No day but today)

I die without you

(No day but today)
I die without you
(No day but today)

No day but today
