I should tell you I'm disaster
I forget how to begin it
Let's just make this part go faster
I have yet to be in it

I should tell you
I should tell you
I should tell you
I should tell you

I should tell I blew the candle out
Just to get back in
I'd forgotten how to smile
Until your candle burned my skin

I should tell you
I should tell you
I should tell you
I should tell

Well, here we go
Now we, oh no

I know this something is
Here goes, here goes
Guess so, it's starting to
Who knows, who knows?

Who knows where?
Who goes there?
Who knows?
Here goes

Trusting desire, starting to learn
Walking through fire without a burn
Clinging a shoulder a leap begins
Stinging and older, asleep on pins

So here we go
Now we, oh no
I know, oh no

Who knows where?
Who goes there?
Here goes, here goes
Here goes, here goes
Here goes, here goes
