What'd you forget?  
Got a light?  
I know you? You're  
You're shivering

It's nothing  
They turned off my heat  
And I'm just a little  
Weak on my feet  
Would you light my candle?

What are you staring at?  
Nothing your hair in the moonlight  
You look familiar  
Can you make it?

Just haven't eaten much today  
At least the room stopped spinning  
Anyway, what?

Nothing  
Your smile reminded me of  
I always remind people of, who is she?  
She died her name was April  
It's out again, sorry about your friend  
Would you light my candle?

Well , yeah, ow  
Oh, the wax, it's dripping  
I like it between my  
Fingers, I figured  
Oh, well, goodnight

It blew out again?  
No, I think that I dropped my stash  
I know I've seen you out and about  
When I used to go out your candle's out

I'm illin' I had it when I walked in the door  
It was pure, is it on the floor? The floor?  
They say I have the best ass below 14th street  
Is it true? What? You're staring again

Oh no I mean you do have a nice

I mean you look familiar  
Like your dead girlfriend?  
Only when you smile  
But I'm sure I've seen you somewhere else  
Do you go to the cat scratch club?  
That's where I work I dance

Yes, they used to tie you up, it's a living  
I didn't recognize you  
Without the handcuffs  
We could light the candle

Oh won't you light the candle?  
Why don't you forget that stuff?  
You look like you're sixteen

I'm nineteen but I'm old for my age  
I'm just born to be bad  
I once was born to be bad  
I used to shiver like that

I have no heat I told you  
I used to sweat, I got a cold  
Uh huh, I used to be a junkie  
But now and then I like to

Uh huh, feel good, what's that?  
It's a candy bar wrapper  
We could light the candle  
What'd you do with my candle?

That was my last match  
Our eyes'll adjust, thank God for the moon  
Maybe it's not the moon at all  
I hear spike lee's shooting down the street

Bah Humbug, Bah Humbug  
Cold hands, yours too  
Big. like my father's  
You wanna dance?  
With you? No with my father

I'm Roger  
They call me  
They call me Mimi
