Whats the time?
Well it's gotta be close to midnight
My body's talking to me
It says, "Time for danger"

It says "I wanna commit a crime
Wanna be the cause of a fight
Wanna put on a tight skirt and flirt
With a stranger"

I've had a knack from way back
At breaking the rules once I learn the
Games, get-up life's too quick
I know someplace sick
Where this chick'll dance it the flames

We don't need any money
I always get in for free
You can get in too
If you get in with me
Let's go out tonight
I have to go out tonight

You wanna play?
Let's run away
We won't be back
Before it's Christmas Day
Take me out tonight Meow

When I get a wink from the doorman
Do you know how lucky you'll be?
That your on line with the feline of
Avenue B

Let's go out tonight
I have to go out tonight
You wanna prowl, be my night owl?
Well take my hand we're gonna howl
Out tonight

In the evening I've got to roam
Can't sleep in the city of neon and chrome

Feels to damn much like like home
When the Spanish babies cry

So let's find a bar
So dark we forget who we are
And all the scares from the
Nevers and maybes die

Let's go out tonight
Have to go out tonight
You're sweet, wanna hit the street?
Wanna wail at the moon like a cat in heat?
Just take me out tonight

Please take me out tonight
Don't forsake me out tonight
I'll let you make me out tonight
Tonight, tonight, tonight
